The Catalina 25 is truly an American classic and one of the most popular mid-sized sloops on the water today. It's a spacious, user-friendly family cruiser that could very well also be a weekend racer. The Catalina 25 has a shallow but comfortable cockpit. Steering is controlled by the tiller and stern-mounted deep rudder. Once below decks, you'll find the interior is very spacious and user-friendly. The layout includes a V-berth forward followed by an enclosed head with port-a-potty. The salon has two opposite settees and the galley is aft to port with a comfortable quarter berth aft to starboard, tucked beneath the cockpit.
