Wood-free Fiberglass 1997 Wellcraft Walk-around Cuddy Cabin fishing boat. LOA 25'4", beam 8'6"

Motor: 1996 Johnson Ocean Runner 225 outboard runs great. Separate 3 gallon oil tank for automatic oil injection. Aluminum prop, new in 2011, is in good condition. Dual batteries and Hydraulic Steering.

Electronics: Has a color Garmin GPS/chart plotter, Standard Horizon Marine 25 Watt VHF radio and 8' antenna, and a brand new in-the-box color Garmin fishfinder/depth sounder. All in a protected compartment above the instrument panel. Navigation and anchor lights all working.

Hull: Fiberglass walkaround cuddy style provides good protection for 2 pedestal seats on the colder days. Fish around the whole boat safely with stainless rail around the front. Bow pulpit holds the anchor. Built into the hull is a livewell, baitwell, deck washdown hose, and a large fishbox. Has rodholders for both fishing and storage built in to the gunwhales. Cuddy has room to sleep 2 adults and has a top hatch and two portholes, but I just use it for storage. Fresh bottom paint July 2013. 100 gallon fuel tank. Storage Tackle Center. Transom has a walk-through door to swim platform.

Trailer: Load Rite Galvanized roller style trailer with newer manual winch. Trailer has been used around the yard recently and will need brakes and lights to pass inspection.
